

Students have the ability to view their grade and attendance information in Skyward, using the Skyward Mobile Access App. Please see the steps below to get started:

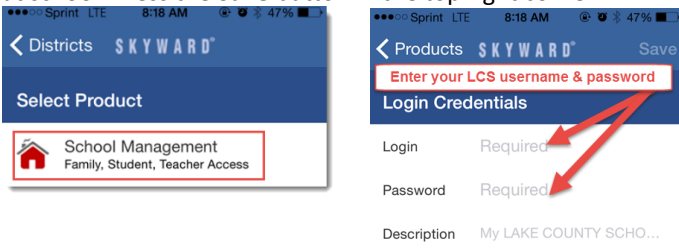

- From your personal cell phone and/or mobile device, download the **Skyward Mobile Access App** from the App Store.

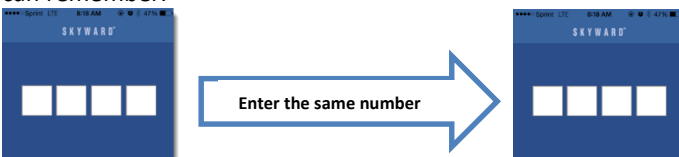

- Open the App and search for Lake County School District using the **by Postal Code** option and enter **32778**. Next, choose **Lake County School District, Tavares, FL**.

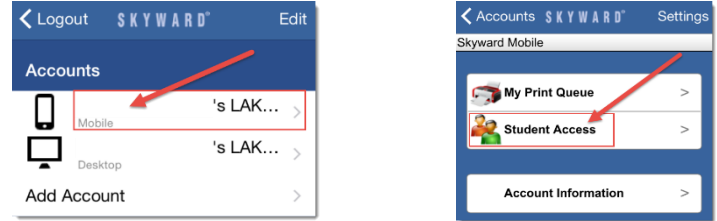

- Select **School Management** and then enter your Lake County Schools (LCS) network username and password. This is the same username and password you use to log onto a computer at school. Press the **Save** button in the top right corner.

- Next, enter a 4 digit code to secure your App. You will have to enter this number twice. Ensure that you select a code that you can remember.

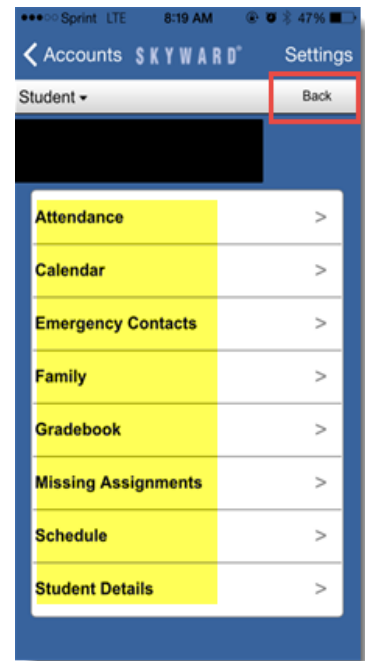

- Choose the **mobile** account, **Student Access**, and then your **name**.

- Tap the desired menu option to view your student data. Use the Back button to move back and forth between menus.

- Attendance:** displays attendance data by date
- Calendar:** displays assignments by due date
- Emergency Contacts:** displays the emergency contact information on file
- Family:** displays the parent/guardian information on file
- Gradebook:** displays grade and assignment information for each class. Scroll down to the **Breakdown by Class** area, then tap on the class to get detailed information.
- Missing Assignments:** displays missing assignments for all classes. Tap on the class to get detailed information.
- Schedule:** displays a schedule of your current classes
- Student Details:** displays general student information

Notes:

- If you have any questions about the data you see in your *Student Access App*, please speak with the appropriate school personnel (teachers and/or front office).
- If you are having trouble with student access or feel like your network username/password has been compromised, please speak with the appropriate school personnel.
