

Students have the ability to view their grade and attendance information in Skyward. Please see the steps below to get started:

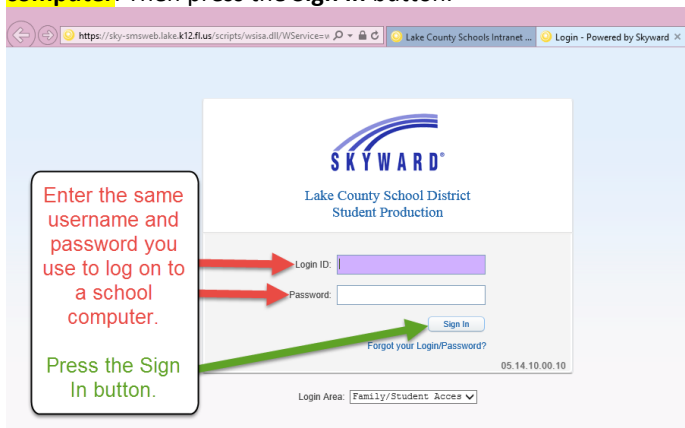

- From inside the Lake County Schools (LCS) network, open the Internet.
- From the LCS intranet page, click on the **Grade – Family Access** link near the bottom left corner.

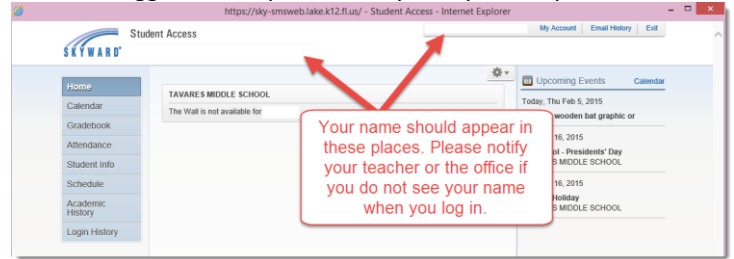

**Note:** You can also access Skyward by going to the [www.lake.k12.fl.us](http://www.lake.k12.fl.us) webpage and clicking the A+ Grades icon.

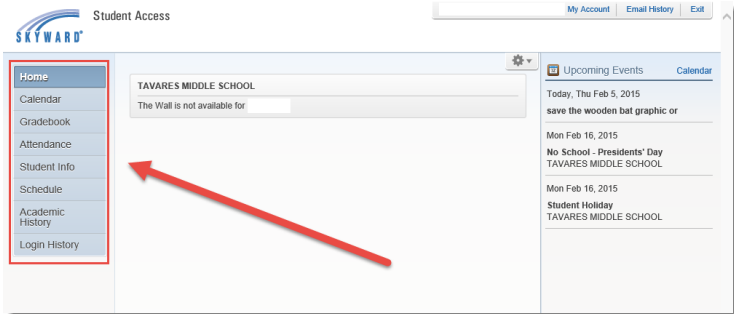

- Once the Skyward landing page appears, **enter the same username and password you use to log onto a school computer**. Then press the **Sign In** button.

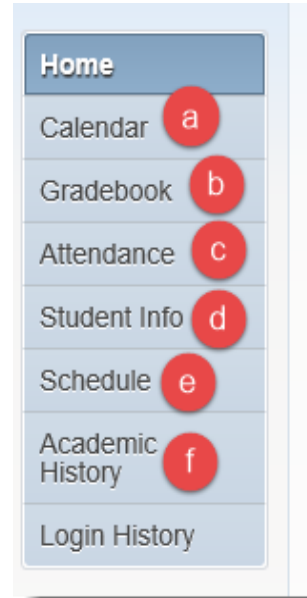

- Once logged into Skyward, verify that you see your name.

- Use the blue menus along the left hand side of the screen to access your student information.

- Calendar:** displays a schedule of assignments by due date
- Gradebook:** displays grade and assignment information for each class. Text that is blue in color is a hyperlink and you can click on it to get more information.
- Attendance:** displays attendance information for each class
- Student Info:** displays student information, including address and emergency contacts
- Schedule:** displays the current class schedule
- Academic History:** displays student academic history

**Notes:**

- If you have any questions about the data you see in your *Student Access* account, please speak with the appropriate school personnel (teachers and/or front office).
- If you are having trouble with your student account or if you feel like your network username/password has been compromised, please speak with the appropriate school personnel.
